# 1. Sales analysis

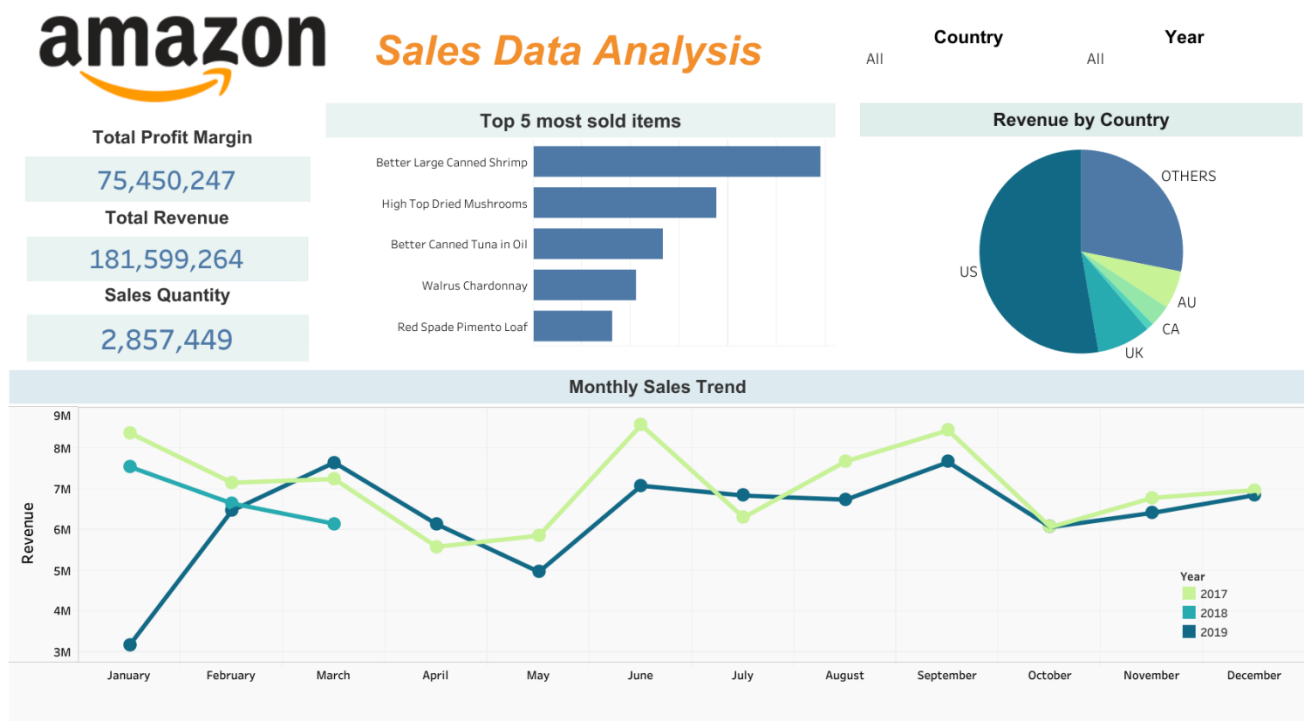

## 1.1 Cards

The cards show the Total profit margin, Total Revenue and the Sales quantity for all years and all countries. They can be filtered for specific year/years and specific country/countries by using the filters available on top left.

## 1.2 Top 5 Most Sold Items
The bar chart shows the top 5 most sold items on amazon.

## 1.3 Revenue by Country
The Pie chart shows the revenue generated by each country.

## 1.4 Monthly Sales Trends for 2017, 2018, 2019

## 1.5 Filters

The filters can be used to see specific data. For example, Total revenue generated by US in 2019.
